

Old Macdonald's Butterfly Park

Old Macdonald had a park and in the trees he hid:

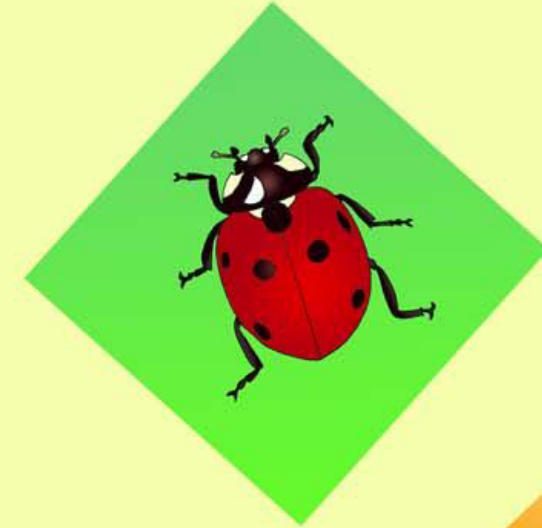

1 Hart's- tongue fern _____

2 Oak tree leaves with acorns _____

3 7 Spotted lady birds _____

4 Tortoiseshell caterpillars and butterflies on nettles _____

5 Red-tailed bumble bees _____

6 Speckled Wood butterflies _____

7 Banded snails _____

8 Centipedes _____

9 Carder bumble bees _____

10 Woodlice _____

Spot and count the number of each creature or plant as you spot hanging in the trees. Then see if you can spot and count the same numbers in nature
